Board of Supervisors
March 18, 2026
9:30 AM

The Board met in a Regular Meeting at the Santa Cruz County Complex, 2150 N. Congress Drive, Room #120, Nogales, AZ. Present: Rudy Molera, Chairman; John Fanning, Vice-Chairman; Luis Carlos Davis, Member; Jesus Valdez, County Manager; Mauricio Chavez, Deputy County Manager; Chris Young, Deputy County Manager; Robert May, Civil Bureau Chief; Alma Schultz, Clerk of the Board.

CALL TO ORDER/PLEDGE OF ALLEGIANCE

Chairman Molera called the meeting to order, and the Pledge of Allegiance was recited, led by Yvonne.

ADOPTION OF AGENDA

Supervisor Davis made a motion to adopt the Agenda, removing Executive Session Item F1 and Action Item J2 and moving both items to a Special Meeting scheduled for Monday, March 23, 2026; further removing Consent Agenda Item 4a; and allowing deviation from the Agenda sequence as necessary. The motion was seconded by Vice-Chairman Fanning and carried unanimously. (Ayes: Davis, Fanning, Molera)

CALL TO THE PUBLIC:

Adam Amezaga, a resident of Rio Rico, requested that the agenda item specify both the Nogales Suburban and Rio Rico Medical Fire Districts. He spoke in support of Emergency Management, noting the many training services they provide to the fire district and their significant efforts to expand those services. Mr. Amezaga stated that fire districts often struggle but tend to remain quiet about their challenges, emphasizing that Emergency Management is essential and should not be eliminated. He gave special recognition to Sobeira Castro, Emergency Management Director, and Brenda Herrera for their continued work.

Cynthia Colbert, a resident of Rio Rico, spoke about two issues. She expressed disappointment with the County Supervisors, stating that they have been influenced by South32 due to the amount of money the company has donated to the County, which she believes leads to overlooking the impacts of their mining operation. She also spoke about the presence of ICE in the County, asking the County to develop a plan and noting that there has still been no communication to the public regarding the issue.

Susan Faubion, a resident of Rio Rico, stated that her septic line had been approved by the County and that she is now awaiting a response to the claim she submitted, requesting reimbursement for the costs. She also reported that a neighbor has built on her property and asked the County for guidance on what actions she could take, referencing outreach she has made to other departments.

Chris Werkhoven, a resident of Sonoita, spoke about the release of the impact statement for the Hermosa Mine. He stated that the EPA clearly emphasized the importance of management and oversight of wastewater and metal toxins and commented that the EPA "threw ADEQ under the bus."

Ernie Edwards, a resident of Patagonia, spoke about the perception of collusion related to South32 and the impacts of its mining operations, stating that the County appears willing to accept funding while overlooking those impacts. He specifically referenced the Early Actions Agreement, noting that it does not address environmental protections or other safeguards necessary for meaningful oversight.

Darla Selandar, a resident of Lake Patagonia, spoke of the Supervisors' recent expression of "Read Across America," which she hoped they found gratifying. She addressed concerns regarding the Hermosa South32 Mine and questioned why the Board is ignoring warnings and information from subject-matter experts urging action. She stated that the Board is not taking the necessary steps to protect public health and asked how serious warnings can be dismissed. She further urged the Board to call on experts to provide scientific evidence and questioned why those experts are being ignored, asking what influence the mine may have over the Board.

Ray Sayre, a resident of Tumacacori and representative of the Santa Cruz Gertrudis Lane Road Association, thanked the County for the recent road trimming. He stated that the pothole crew came out and repaired the potholes and provided other services, and he expressed appreciation for the County trails that are being actively used. Changing hats to Emergency Management, he spoke about the upcoming explosion training.

Jay Thompson, a resident of Rio Rico, stated that the agreement is not a protections agreement but rather a benefits agreement. He noted that while the listed items reflect real needs, they do not constitute safeguards and contain no enforceable protection commitments. He added that the terms of the agreement create a chilling effect regarding termination and re-adoption, and that the protections appear to favor South32. He urged the Board to pursue real, enforceable protections.

Jim Mainwaring, a resident of the Patagonia Lake area, stated that the same patterns occur at every meeting, with citizens preparing detailed and informative presentations, some even pleading for help, yet the Board responds only with book readings and bingo games and has not presented anything addressing the concerns brought forward. He noted that despite numerous meetings, no actions have been taken. He encouraged the Board to begin informing the people who elected them about what work has been done to address the issues raised.

CURRENT EVENTS

1. BOARD OF SUPERVISORS

SUPERVISOR DAVIS: reported a meeting with Nogales Community Development (NCD) regarding Yvonne Delgadillo's Montezuma Hotel project, noting that the County is supportive of the project and considers it a positive development. He also met with Patrick Rollace from Adelita Grijalva's office regarding an art contest and plans to meet with the school superintendent. He read books to students and was invited to Lincoln School to speak about career readiness. He attended an ADOT meeting with the Mexican Consulate, where discussion included the DeConcini Port of Entry. He noted that a related meeting is taking place today, which the County is very supportive of.

VICE-CHAIRMAN FANNING: congratulated the City of Nogales and reported attending the CREO Magna School of Excellence event. He noted that the Taste of Tubac took place this past Sunday. Regarding the ICE statement, he clarified that information had been posted on the County website and that it was provided directly by the Governor's Office. He stated that he has been working behind the scenes on related concerns but will now begin speaking more openly about them. He joined the Rural Water Working Group, which includes three senators and one representative, to discuss water-related issues, noting that the mine was brought up in a broader context. He emphasized that Early Actions and Community Benefits Agreements are not intended to duplicate protections, and that protections will be the exclusive focus for the County's Community Benefits Agreement. He concluded by wishing Chairman Rudy Molera a happy birthday.

CHAIRMAN MOLERA: welcomed County Recorder Anita Moreno back following her accident. He congratulated Adam Amezaga and his staff for bringing forward a vision for a training center so that staff will no longer need to be sent out of town for training. He thanked Ms. Maya Donnelly for organizing Read Across America and thanked Sobeira Castro and Ray Sayre for their Emergency Management training efforts. He noted that he did not attend the 250th anniversary event last Friday because he attended an event with Mark Kelly regarding the possibility of his running for president.

2. MANAGER

JESUS VALDEZ, COUNTY MANAGER, On March 9th, we were notified that the Peck Canyon project was selected to move forward with Congressional Representative Adelita Grijalva. While this is not a guarantee of funding, it is now in the queue, and updates will be provided as they become available.

DEPARTMENT REPORTS AND ACTIVITIES

1. FINANCE: CASH & INVESTMENTS, EXPENDITURES & REVENUE REPORTS

Mauricio Chavez, Deputy County Manager, reported $23,685,080.67 in the General Fund, of which $16,767,308.53 is invested; $5,470,068.05 in the Road Fund, of which $5,186,189.09 is invested; $3,313,861.78 in the Flood Control District Fund, of which $312,557.60 is invested; $8,016,195.38 in the Jail District Fund, of which $4,454,733.72 is invested; $64,859,736.81 total for all funds, of which $28,868,075.45is invested; $10,868,270.87 estimated end of month balance, compared to $13,266,069.70 cash at March 2025, a difference of $(2,397,798.83).

Supervisor Davis made a comment unrelated to the current discussion, noting that he is now using glasses. He asked the County Manager for an update on the Animal Control donation button, stating that it has been established and that the remaining step is determining how to connect it to the Treasurer's Office to receive donations. He reported visiting Arizona@Work and asked Zaida Bustamante to share updates on their current projects. Chairman Molera added that they would be moving to Department Updates shortly and that Ms. Bustamante could provide her update at that time. Mr. Chavez stated that he also had updates for the Board and the community.

Mr. Chavez continued with the sales tax updates. He reported that current year-to-date revenue reflects a 24 percent increase compared to last year, generated from multiple sectors including hotels, retail, and restaurants. He noted that the Arizona prime contracting tax, imposed on contractors modifying property such as work related to the border wall, has contributed significantly to this increase, as the County benefits from related purchases regardless of where the supplies are obtained. He reported a 7 percent increase in state-shared sales tax, and a 6.3 percent year-to-date increase in the Highway User Revenue Fund (HURF)/Road Fund. He noted a decrease in overweight fees, down 3.4 percent compared to last year, due to reduced traffic. Vehicle license tax revenue has decreased by 4 percent, which he attributed to fewer new vehicle registrations compared to the prior year.

2. DEPARTMENT(S) UPDATE

Zaida Bustamante, WIOA Director, provided an update on WIOA activities. She reported that Triple A Landscaping has been conducting events at their office, has hired many community members, and plans to hire an additional twenty employees for their Tucson and Phoenix locations. She noted that Trident Seafoods will be coming to the community under H-2B visas with plans to hire locally. She also shared that NUSD students will be participating in on-site learning programs in fields such as auto mechanics and firefighting, and that she is meeting with RRHS to implement similar opportunities. She highlighted that the Suns Construction Trades program is being offered at NHS in preparation for future high-demand careers. Ms. Bustamante introduced Jessica Ruiz as a successful program participant who is now employed in Sahuarita.

Juan Balderas, IT, reported that his department is working on updating the credit card vendor system to enable donations for Animal Control. He also provided an update on the Sheriff's radio system, noting that the project is complete and that they are currently working through minor issues. He expressed

gratitude to all who participated in the project. Additionally, he stated that IT is working with Pima County on a regional broadband project to identify areas lacking service and to determine where improvements will be most beneficial.
Chairman Molera asked if there were any updates on the Broadband Equity, Access, and Deployment (BEAD) Program funding. Mr. Balderas stated there were no updates at this time.

A UPDATE ON EARLY ACTIONS COMMUNITY INVESTMENT AGREEMENT BY COUNTY MANAGEMENT

Chris Young, Deputy County Manager, reported that he will be providing monthly updates on the Early Actions Agreement and highlighted four wording changes included in the agenda packet. He noted that the City of Nogales requested additions to Exhibit A, Item 3, regarding fire and EMS services, including equipment and training, and added language in parentheses to clarify responsibility and direct impact, including Nogales. He also stated that the County is updating its current countywide housing study to explicitly include Nogales, clarifying that "countywide" refers to all jurisdictions within the County, including the Town of Patagonia and the City of Nogales. Mr. Young reported that they are moving forward with projects, working on scopes of work, and establishing appropriate reimbursement processes for the respective governmental entities. He addressed a comment made during Call to the Public, clarifying that South32 is not the sole approver of projects; all projects must be approved by all signatories—the County, the City of Nogales, and the Town of Patagonia. He concluded by stating that his door is always open and that he is available to meet with anyone who has questions.

3. AWARDS, RECOGNITIONS & ACCOMPLISHMENTS:

B RECOGNITION OF ISABELLA FELIX, AN EIGHTH-GRADE STUDENT FROM PATAGONIA MIDDLE SCHOOL, FOR HER EXEMPLARY ACHIEVEMENT AS THE CHAMPION OF THE 2026 SANTA CRUZ COUNTY SPELLING BEE, EARNING THE HONOR BY CORRECTLY SPELLING THE CHAMPIONSHIP WORD "SUPPLICATE" IN THE 10TH ROUND OF COMPETITION (REQ: CHAIRMAN MOLERA)

C RECOGNITION OF SHULAMITHY BATTU, A SEVENTH-GRADE STUDENT FROM COATIMUNDI MIDDLE SCHOOL, FOR HER EXCEPTIONAL PERFORMANCE AS THE RUNNER-UP OF THE 2026 SANTA CRUZ COUNTY SPELLING BEE (REQ: CHAIRMAN MOLERA)

Recognition was given to both Spelling Bee participants, beginning with the champion and runner-up, in partnership with School Superintendent Maya Donnelly. Superintendent Donnelly provided a few words of acknowledgement. The students declined to share remarks. It was noted that the champion will be competing at the state competition this Saturday, and the Board wished her the best.

A RECOGNITION OF ADAM AMEZAGA, FIRE CHIEF, RIO RICO MEDICAL AND FIRE, FOR HIS OUTSTANDING LEADERSHIP AND SERVICE TO THE COMMUNITY, AND FOR HIS VISION IN DEVELOPING A TRAINING TOWER TO ENHANCE EMERGENCY RESPONSE CAPABILITIES (REQ: CHAIRMAN MOLERA)

Recognition was provided to Adam Amezaga by Chairman Molera and members of the Board. Mr. Amezaga thanked the Board for the recognition, noting that it reflects a team effort involving countless hours of work. He stated that an open house will be scheduled to view the tower and that they are working on getting the project launched, along with ongoing training efforts.

D RECOGNITION OF EDGARDO MUÑOZ FOR HIS EXEMPLARY DEDICATION, LEADERSHIP, AND SIGNIFICANT CONTRIBUTIONS TO THE COMMUNITY THROUGH HIS "WE LOVE NOGALES" INITIATIVE, INCLUDING COMMUNITY ENGAGEMENT, IMPROVEMENT EFFORTS, AND THE PROMOTION OF CIVIC PRIDE (REQ: CHAIRMAN MOLERA)

Recognition was provided to Edgardo Muñoz by Chairman Molera and members of the Board. Mr. Muñoz thanked the County for the recognition, stating that it is meaningful to be seen and supported. He shared that We Love Nogales was created to highlight the beauty, culture, and strength of the community. He noted that the recognition belongs not only to him but to every person in the County, including young leaders who believe in Santa Cruz County and those who contribute to making Nogales a great place. He thanked the Board again for believing in their work, which motivates them to continue promoting the community to the world. Mr. Muñoz presented hats to the Supervisors.

Supervisor Davis expressed his appreciation to Mr. Muñoz for helping students complete their required hours, noting the example of a former student, Arnold, who was able to attend a music event through these opportunities. He thanked Mr. Muñoz for always opening doors for the youth.

Chairman Molera added that the Nogales Bicycle Classic has benefited greatly from Mr. Muñoz's leadership and that he remains committed to making it an even greater event.

Mr. Muñoz also announced an additional free event taking place this Saturday.
Supervisor Davis thanked him for his continued efforts to uplift the community.

EXECUTIVE SESSION

1. PURSUANT TO A.R.S. § 38-431.03(A)(3) & (4), DISCUSSION AND CONSULTATION FOR LEGAL ADVICE AND/ OR DIRECTION REGARDING THE SETTLEMENT WITH THE FIRE DISTRICTS COVERING ALL LITIGATION MATTERS RELATED TO THE EMBEZZLEMENT BY THE FORMER COUNTY TREASURER ELIZABETH GUTFAHR (REQ: COUNTY MANAGER)

Moved to March 23, 2026 Special Meeting during the Adoption of the Agenda.

STUDY SESSION

1. REPORT ON SANTA CRUZ COUNTY CHAMBER OF COMMERCE BY OLIVIA AINZA-KRAMER, PRESIDENT AND CEO

Olivia Ainza-Krammer and Lisa Gonzales delivered the Chamber's 2026 presentation, outlining services provided to more than 600 businesses, the Small Business Resource Marketplace, procurement-readiness initiatives including the South32 Vendor Readiness Program, and strong regional tourism engagement driven by digital outreach.

Vice-Chairman Fanning commented positively on the presentation, noting the inclusion of local food, and requested brochures. Supervisor Davis asked about opportunities and challenges facing the Chamber.

Chairman Molera thanked Ms. Ainza-Krammer for the presentation and clarified that there are 648 businesses in the community, with 375 currently holding Chamber memberships. He asked for a comparison of visitor numbers prior to COVID-19 and noted that the Chamber receives many digital inquiries and continues to see strong in-person and online engagement.

County Manager Jesus Valdez stated that the Chamber serves as a conduit for local businesses and asked what the top five issues are that businesses face with regard to the County or City. Olivia responded that the Chamber frequently hears concerns related to the following: (1) workforce and qualified labor, (2) English/language barriers, and (3) customer service.

2. GOVERNMENT 101: ROLES AND RESPONSIBILITIES OF THE EMERGENCY MANAGEMENT DEPARTMENT BY SOBEIRA CASTRO, DIRECTOR AND STAFF

Emergency Management Director Sobeira Castro provided an overview of the department, including its statutory authority, organizational structure, and the various emergency plans maintained by the office. She highlighted key functions such as LEPC management, public outreach, CERT coordination, evacuation and staff training, hazardous materials' response, and the oversight of multiple state and federal grants. She also reported that the department has brought in more than $2.47 million in grant funding since 2014 and outlined major equipment assets and improvements, including the Santa Cruz Valley Interoperable Radio System increasing radio coverage from 25% to 95%.

The Board thanked Ms. Castro and her team for their continued work.

County Manager Jesús Valdez asked Ms. Castro to speak about mutual aid agreements. Ms. Castro explained that they operate under the Arizona Department of Military Affairs through a mutual aid agreement that provides the ability to access funding from both the state and federal government. She noted that the Town of Patagonia has not signed the agreement, while the City of Nogales has, and that the absence of full jurisdictional participation makes it more difficult to obtain reimbursements, as all jurisdictions must sign the agreement for full eligibility.

Vice-Chairman Fanning made a motion to recess the Regular Meeting to convene the Jail District Board, seconded by Supervisor Davis; the motion carried unanimously. (Ayes: Davis, Fanning, Molera)
